Dear Madame Kieselhausen,

I got on to Mr. Blackburn and am glad to be able to inform you that he thinks sufficiently well of your voice to take you on half terms, i.e., you now to pay half of the usual fees a lesson, and the other half when you get engagements.

You must find out from him what the half means, and you must also find out from him, how long you will require to take lessons until you are ready for an engagement.

I am going away for the week end to get rid of my cold, and will ring you up when I get back.

Kindest regards,

Yours sincerely,

Mr. Heilbron

In reply to yours of yesterday if you will let me know when and where I could hear you I would be glad to make an appointment. I am not sure though if I will be able to be there myself as I am frightfully busy just now and may have to go to the continent any time. So it is just possible that in the event of my not being able to come I will send our Mr. Heilbron along.

Chère Madame Kieselhausen,

J'étais très heureux d'avoir de vos nouvelles et de vous savoir en bonne santé.

En effet, Monsieur Segovia joue le 18 Mai à Londres et je viens de donner des instructions à nos Agents, Messieurs Ibbs & Tillett pour vous donner 2 invitations pour ce concert.

Personnellement je n'irai pas cette fois-ci à Londres, j'ai beaucoup trop à faire à Paris.

Quels sont vos projets pour l'avenir? Donnez-moi de vos nouvelles et croyez-moi, chère Madame Kieselhausen, toujours bien sincèrement à vous.

Meilleurs souvenirs à Madame
